Comments	<input type="text" value="These blocks will be overbearing and have an extremely detrimental effect on the look of the town. Part of the charm of the Garden City is the openness and lack of obstruction to the skyline. These blocks look more fitting for London than a garden city. Please reconsider and give permission for blocks more in keeping with our lovely town. As a former Councillor I am very disappointed by this. Welwyn Garden City will be changed beyond recognition if this is allowed to set a precedent. Please do not allow this."/>
