Comments	<input type="text" value="I completely object . your already ruining welwyn garden city and turning it into concrete city. Not to mention the already pressure on Doctor surgeries . schools and the community its bursting already . Plus it will be an absolute horrible thing to look at this isnt Hatfield or stevenage . welwyn garden city has always prided itself on beauty . This will ruin welwyn garden city forever. its not right and rather upsetting to see it even being put forward."/>
