| Comments | <input type="text" value="I object to this application to increase the number of blocks for the Shredded Wheat building. This building is already out of character for WGC and totally against the ethos of a 'Garden City'. Please please do not ruin what we have in this delightful town. They will be bought by people who will travel outside wgc to spend their money. Example needed - look how they have ruined Hertford. Think very carefully PLEASE."/> |
