<b>Comments</b>	<input type="text" value="Absolutely NO NO NO to building 11 storeys high. This is a garden city and not Manhattan. The town is being destroyed by blocks of flats and apartments many of which remain unsold. And parking spaces being factored in needs to be high on this agenda too. People are finding themselves unable to have family visit as no where to park in the town. WGC is being utterly ruined by these housing block developments. By all means build social housing and family homes instead but no more flats"/>
