<b>Comments</b>	<input type="text" value="The proposed blocks are completely inappropriate and will create a most undesirable precedent in the garden city. If you have the time please stand in one of the beautiful fields on the west side of Tewin and look south and you will already see these half built blocks looming above the tree line over Panshanger. An absolute blight ! Furthermore where are we going to find doctors practices which are already at bursting point to accommodate this further influx of people and indeed how will they squeeze additional children into our local overcrowded schools ?? An absolute maximum of 7 stories per block is quite enough in my view !!"/>
