<b>Comments</b>	<input type="text" value="How is it possible to agree on even MORE residential accommodation in WGC...several thousand new properties have or are being built here ALREADY with almost NO social housing included only the obvious 'apparently affordable homes' are included which is NOT what we need. We need social housing and we really NEED infrastructure! Our local schools are almost at capacity as are the dentists and doctors. PLEASE...WE DO NOT NEED MORE ACCOMMODATION or this high-rise eyesore!"/>
