Comments	<input type="text" value="In my opinion the number of dwellings being proposed is too many. There has been a number of dwelling in the area over the past 2 years and there has not been any social amenity added. Our schools, GP surgeries, town centre and roads have not been made any bigger and so many dwellings seems unwarranted. Broadwater road is already a nightmare to use during the rush hour, what will happen after this is allowed to go ahead. This application should be considered carefully."/>
