Comments	<input type="text" value="It was a tragedy that you did not save the iconic 'Shredded Wheat' building which could have been beautiful loft appartments but this is a travesty.of the Garden City ethic. The styling is just incompatible, the buildings are cramped and too high. As was said when the town was but, 'You can't be natural in A flat' (its a musical pun and also true). I grew up in WGC, moved back as an adult and still think of it as home. Don't spoil our town -.it has such a unique heritage which deserves to survive."/>
