<b>Comments</b>	<input type="text" value="This planned development is completely out of keeping with the town. It is far too dense, far too high rise and there is not enough provision for parking which will lead to traffic issues. I am also concerned that the existing infrastructure of the town (schools, doctors etc) will not be able to cope with the additional concentrated influx. The height of these buildings will tower over the town and permanently detract from its character and will permanently blight its appearance and cause issues for the residents"/>
