Organisation	<input type="text" value=""/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="This plan will result in a very high population density which is out of character for the garden city. The number of residence should be reduce. There is also not a lot of green space. I do appreciate there have been some thought to having enjoyable outside space but yet again, doesn't reflect the quantity of green space other areas have in our garden city."/>
