Comments	<input type="text" value="I strongly object to the proposed planning application. It is completely out of character with the town. Previously there has been a limit on the height of buildings to 5storey, allowing 10 storey building will change the whole character of the town. There is not enough infrastructure included in the application to support the increase in the population. Please think very hard about what this will do to our town. We should be proud of this town being a garden city. This will ruin this."/>
