<b>Type</b>	<input type="text" value="neighbour"/>
<b>Comments</b>	<input type="text" value="I'm objecting to this build as the density and height of the build will take away from what Welwyn Garden City is. (Ie a garden city) these buildings will be an by an eye sore on the town. The amount of people filling these flats will put even more stain on the towns doctors, dentists, schools etc. Plus I fear crime will go up. I will not feel safe walking into town through the flats."/>
