Comments	<input type="text" value="Welwyn Garden City. What part of 'Garden City' do the planners not understand. The proposed plan is simply awful - High Rise buildings in the centre of a Garden City. Sad truth is the VAST majority will be bought by buy to let investors and the flats over populated by primarily commuters. This MUST not happen. I would support development of several greenbelt sites (including Panshanger aerodrome) - but please not this"/>
