| Comments | <input type="text" value="I understand the need for more housing in Welwyn Garden City but the proposed number of dwellings will lead the area to be far too densely populated and the height of the blocks of flats is totally out of keeping with anything else in the town. The roads in the area will not be able to cope with the increase in traffic and parking and Welwyn Garden City does not have enough doctors, schools etc to cope with such a huge increase in numbers."/> |
