Comments	<input type="text" value="The plans show too many hi rise buildings which are not part of the Welwyn Garden City ethos or vision of the pioneers of the Garden City movement. Welwyn Garden City will no longer be a Garden City should these plans go ahead. Parking issues have not been thought through. Most properties are now 2 car properties regardless of trying to discourage the use of them. Have they really thought of enough family needs. Schools, doctors, hospitals and will the current infrastructure cope with so many people coming into the area. I believe not. Welwyn Garden City needs to remain a Garden City"/>
