Proposal	Hybrid planning application comprising: Detailed Planning Application for 399 Private Rented Sector (PRS) dwellings and 153 dwellings (Class C3), 250 units of residential care accommodation for the elderly (Use Class C2) with associated communal facilities, 15,247m2 of community and commercial hub (Use Classes E and F1) with associated cycling hub, car parking, access, landscaping, public art and other supporting infrastructure; and Outline Planning Application for up to 418 dwellings (Class C3) with all matters reserved except access.

Type of Comment	Objection
Type	neighbour
Comments	Massive overdevelopment of the site. The buildings are way too high and breach the council's own guidance of height. There is a lack of open space which bearing in mind we are a garden city, seems totally wrong. WGC needs proper family housing, not huge tower blocks.
