

Comment for planning application 6/2021/1380/FULL

Application Number	<input type="text" value="6/2021/1380/FULL"/>
Location	<input type="text" value="12 Southfield Welwyn Garden City AL7 4ST"/>
Proposal	<input type="text" value="Change of use to plant hire (retrospective)"/>
Case Officer	<input type="text" value="Mr Raymond Lee"/>
Organisation	<input type="text"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="We wish to object to this retrospective change of use planning application. Our objection is based on the size and number of heavy good vehicles dropping off and loading plant machinery. The infrastructure of Southfields cannot handle very large plant low loaders. Also in the winter months the mud which is left on the road is then washed down the drains. There has been previous flooding problems due to drainage without compounding the issue with additional mud."/>
