Comments	<p>It is difficult with the site plan provided to follow the various settlement houses. mentioned in this application. Even referring to the previous application, it seems there is development on the east side encroaching on to the green belt and the openness thereof.. The minor changes hide other things. The planned road continues to be a worry. The exit site is a very difficult bend and corner and as we previously mentioned , the pond gets plenty of damage as does West Hall.</p>
