<b>Comments</b>	<input type="text" value="The residents on Pine Grove are sick to the back teeth of the volume of school buses and traffic we have to deal with on a daily basis during the school term. I for one can't get get my car off my drive between the hours of 08:00-08:40 and the the same in the afternoon when the school finishes. We have collectively raised our concerns to the volume on traffic on Pine Grove via Lefty our friendly neighbour who has been dealing with this issue with the council and Chancellors School for over 2 years. I personally think this extension will cause even more traffic on our road when the council and the school should be encouraging parents and teachers to reduce their carbon footprint and use alternative means of transport."/>
