Comments	<input type="text" value="I feel the extension of this property to the degree detailed in this application is excessive. It will bring the building considerably closer to my property and reduce the light and view from my property. The windows to the side and rear of the extended property would overlook my property to an unacceptable degree. The flank wall would be unsightly from my property. Any such extension as planning has been applied for would be detrimental to my properties use and value. I therefore object in the strongest possible terms to the granting of permission for this disproportionate extension application"/>
