

Comment for planning application 6/2022/0628/FULL

Application Number	<input type="text" value="6/2022/0628/FULL"/>
Location	<input type="text" value="Campus West The Campus Welwyn Garden City Hertfordshire AL8 6BX"/>
Proposal	<input type="text" value="Installation an Air Source Heat Pump (revision to approved scheme 6/2021/1788/FULL)."/>
Case Officer	<input type="text" value="Mr Raymond Lee"/>
Organisation	<input type="text"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="I object for the following reasons: 1. The heat pump will be too noisy even with mitigation. 2. There are other more suitable places to put it. 3. A solid brick wall with sound absorbing material should be built around. 4. If it is built then mitigation at least as good as what is suggested in Hepworth Acoustics report should be installed and be a condition of the planning permission."/>
