<p><b>c) Site Address:</b> <input type="text" value="23 Roundwood Drive, Welwyn Garden City, AL8 7JZ"/></p> <p><b>d) Description of Proposal</b> <input type="text" value="We would like to reduce by 25% the crowns of two silver birch trees in our back garden. The trees are healthy but likely susceptible to damage (or worse) in the event of severe winds, such as recently.&lt;br/&gt;- The LARGE SILVER BIRCH (approx. 50-ft) leans towards the house with its new extension. PLEASE NOTE: You have previously given consent for crown reduction of this tree, under Application No. 6/2018/2522/EM, but this permission has now expired.&lt;br/&gt;- The SMALL SILVER BIRCH (approx. 40-ft) leans over our neighbour's highly-valued tall beech hedge. From the accompanying photographs you can see our tree already shows signs of weakness, with at least two substantial branches having broken off. If it would be permissible to fell this tree, please could you make that clear? Quite a high density of trees would still remain in this area."/></p> <p><b>e) Have the works already been carried out or started?</b> <input type="text" value="NO"/></p> <p><b>f) Has assistance or prior advice been sought from the Council regarding this application?</b> <input type="text" value="NO"/></p> <p>Officer: <input type="text"/></p>
