Good afternoon Raymond.

I note that Bourne have made an application for approval of conditions attached to the Campus West application (6/2022/1084/COND), and would be grateful if the following comment could be added to the consultee response.

“As a Handside Ward Councillor I note the comments made by the consultees and I have no objection to the approval of conditions as set out in the application.”

Many thanks.

Kind regards
Fiona

Cllr Fiona Thomson
Handside Ward
