<b>Consultations</b>	
Consultations do not apply to Trees within Conservation Area applications in accordance with the Tree Regulation Order and therefore any response <b>cannot</b> be considered.	
<b>Main Issues</b>	
<b>Whether the tree(s) merit a Tree Preservation Order</b>	<p>An assessment is required of the amenity value of the tree(s) and whether it/they help to preserve the character or appearance of the conservation area.</p> <p>The assessment considers the condition of the tree, its retention span, relative public visibility and other factors – such as, but not limited to, whether it is part of a group, has historical importance and, has good form.</p> <p>The trees condition and suitability is considered to be good with a remaining useful life expectancy of approximately 40-100 years. The trees overall size can be classed as very large with clear visibility to the public.</p>
<b>Conclusion</b>	
From the above considerations, it is concluded that the tree(s) are not appropriate for a Tree Preservation Order.
