Subject: CAMPUS WEST CARPARK - lighting
Date: 06 December 2022 17:18:35

[REDACTED],

I am informed that in the carpark development there is going to be a removal of 4 lights and replacement with 12, 3 of which will shine into homes in Scholars Mews and Density Close.

I would like to call in the variation of condition application regarding the lighting, please.

I await hearing from you .

Kind regards

Frank
