Comments	<input type="text" value="I wish to object on the application for the following reasons - Loss of 584 car parking spaces, although 156 will be made available at campus west this will not provide enough car parking spaces. If the the town wishes to support the shops there must be enough car parking or visitors will go elsewhere and the shops will not survive. The 313 units could provide living accommodation for a maximum of 998 residents, this is excessive and will cause major issues for providing basic services such as GPs and schools which are already struggling Access to waitrose will become more difficult if all 183 car parking spaces are created and there is a greater volume of traffic entering Waitrose and more importantly the main roundabout and adjacent roundabout for Bridge road"/>
