Comments	<input type="text" value="This development seems totally inappropriate. A large number of multi-storey blocks of flats are being built on the Shredded Wheat site and I feel that this site would be much more suited to 2 or 3 storey houses. The loss of parking spaces is going to be a problem. During the week there is often in excess of 200 cars in the car park. Where are they going to go? I am sure that the Campus West car park will prove to be inadequate. Will pedestrian access be maintained throughout the build? Where are the new residents going to park?"/>
