Comments	<input type="text" value="I'm writing to express my concerns related to the above planning application. The proposed development, due to the sheer number and size of the proposed flats, is not considerate to the local surroundings and should not be acceptable. Noting that the surrounding residential area mainly consists of houses, more consideration to the inclusion of houses instead of purely blocks of flats should be given! Some alterations to the travel plan and pedestrian routes should also be considered. Please see attached letter for a more detailed description of the various reasons supporting my objection."/>
