Comments	<input type="text" value="Reason for objection: The pedestrian route between Gresley Close and the zebra crossing at the corner of Waitrose is heavily used by residents from Gresley Close, Vineyards, and beyond to access the town centre, as well as by employees of the business park coming from the train station. This pedestrian route has been in use for at least 30 years and should be protected as a public right of way. The current drawn plans seem to close off direct access to the zebra crossing at the Waitrose end, and in addition the current layout of the site would make this corner difficult to access."/>
