<b>Comments</b>	<input type="text" value="i would like to object to this proposal as i do not believe there is a need for this many more flats in the area. What is needed is affordable housing so that families can have somewhere to go. During the recent Covid pandemic it was realised people needed gardens and space to ensure their health and wellbeing. High rise flats are not the answer. Where are families supposed to live? Where is the infrastucture to support this? the urgent care centre and Doctors surgeries are overwhelmed as are dentists. What happens when the inhabitants of these flats want to start families?"/>
