<b>Comments</b>	<input type="text" value="Strongly object to this and all the other developments going on at present, no social housing and lack of parking for this development, houses are what's needed for families, this town is needing some serious investment in facilities, no hospital nothing for young people to do so they have to travel to Stevenage for entertainment. The design of this development is ugly and the units are small 1/2 bed flats not homes for families as was the vision for this town many years ago!"/>
