Comments	<input type="text" value="No objection to a development in this area, in fact all for it. I do however, object to the dense population of high rise flats that over shadow and encroaches on Gresley Close. A mixed use scheme comprising of west side style red brick housing of 2, 3 and 4 bed homes with adequate parking, cycle ways and grass land would and should be the only application worth pursuing. Or at the very least an application that meets the garden city estate management guidance. 6 storey blocks of 1/2 bed flats should not be considered."/>
