<b>Comments</b>	<input type="text" value="I object to this updated planning application. These buildings have too many storeys right in the Handside Conservation area that will damage this lovely area with yet another concrete jungle. Welwyn Garden City does NOT have the infrastructure to support hundreds of more residents these extra dwellings will bring. If they are to be built, we need new surgeries, schools, hospitals and parking available to which the developer has contributed NOTHING toward any of these amenities. There is limited access to the site from The Campus and no where near enough parking for each dwelling. We strongly object to this development."/>
