Comments	<input type="text" value="I wish to object to this development as there are many problems this may cause. There will be parking problems as there is not enough parking spaces for the number of properties. Also there are not enough doctors, dentists, schools, to supply this many people. The development at Nabisco is not up and running yet but to add more homes to this area is untenable. Living where I do I feel this will have a detrimental effect on my area, quite apart from the ugly look of the building, and the fact there will be more traffic on all the roads in the area.
