Comments	<input type="text" value="A group of six story flats doesn't seem in keeping with the Garden City ethos, especially as it's in the conservation area where we can't do anything to our own properties that change the look of them. I also think it's unrealistic to expect that so many flats will manage without cars as I believe fewer than half will have parking. When so many shops have moved out of town and schools being over subscribed more people rely on having a car. I worry that Gresley Close and The Vineyard will be full of cars from those flats on the weekend when restrictions aren't in place."/>
