Comments	<input type="text" value="I have lived in Welwyn Garden City for 59 years on the west side - I objected to the thousands of flats going up where Shredded Wheat was but at least that was a brown field site. This is on the west side which will look an eye sore to the the surrounding picturesque areas of WGC - G being Garden! The lack of planning for cars and families is ridiculous - our Council has lost the plot and will make us just like Stevenage, concrete everywhere which will encourage the already worsening crime situation! Please listen to the people - haven't we had enough flats built in the last 5 years!!"/>
