Comments	<input type="text" value="I really feel we some mixed housing in Welwyn Garden City. We have had lots of flats built which I am sure a lot are needed but now we need mixed housing with proper packing for them . Many years ago I lived in Wellington Drive on Panshanger which has mixed housing on one street flats 2, 3 and 4 bed houses it was perfect and gave a community feel where people wanted to live . We really need to change the emphasis in the town for something more long term . I know flats are profitable but not what we need ."/>
