Comments	<input type="text" value="Hello I am objecting to this application on a few grounds. - the height of these buildings seems to be out of keeping with the surrounding buildings. - The infrastructure of WGC is stretched as it is. There seems to be no provision for increase in Doctors, Schools, Dentists etc. - New flats are being built on the old Shredded Wheat site and I cannot see the need for more flats. WGC really needs more houses with gardens for families and not flats. - I do not feel they are in keeping with the design of Welwyn Garden City. - Parking will be reduced, even with the new parking at Campus West. - I strongly object to this application"/>
