<b>Comments</b>	<input type="text" value="I have lived in WGC all my life and I've never been more sickened by what is happening to this lovely town. It saddens me so much to see such a rapid decline to a Garden City. This new plan will just add to the over populated town this will become. WE DO NOT NEED MORE FLATS, WE NEED HOUSES FOR FAMILIES WITH THEIR OWN PERSONAL GARDEN SPACE! Will this current plan be affordable for local people in the current climate? Where are the required infrastructures (ie. Hospital, doctors surgeries, dentists, schools) going to be placed? Please don't ruin this town even more, the future vision for WGC is not a good one."/>
