Comments	<input city"="" garden="" type="text" value="The proposed buildings are too high, would be better if they were max 3 storey. This will allow more light to reach the houses at the end of Gresley Close. Also, with 3 storey buildings, less parking will be needed and less congestion around town (as your proposal doesn't include 1 parking for each dwelling). Smaller buildings will probably help if we want to keep calling Welwyn a "/> .
