<b>Comments</b>	<input type="text" value="I feel very unhappy about the plans being submitted, in general I agree the parking lot and adjoining garages are ready for demolition and appropriate housing would be more attractive, the word being appropriate, 4/5 storey flats are NOT. To look from the so called balcony on one side is over the railway line and if inside the estate you are looking at another block. 2/3 storey blocks should be the maximum height, I thought this was a preservation site. How come the car park outside the cinema had to be restrained because of local residents but what Bellway wants to do does not matter, money is not everything in this world also some think so!!"/>
