| <b>Comments</b>           | <input type="text" value="Proposal is not in ethos of the Garden City. An increase in the application of flats by 25% Too many vehicles due to lack of infrastructure and people having to use cars to get the few there are. House are required not flats that remain empty. Some buildings 6 stories high and not stated in original application. Up to an extra 997 people in the tiny area Services are already constrained."/> |
