<b>Comments</b>	<input type="text" value="The plans for this development are not in keeping with the other surrounding buildings. They are also not in keeping with the Welwyn Garden City ethos. As a resident of the garden city for over thirty years I have had to follow all of the restrictions imposed on my property, to the extent that I cannot even replace my flat roof with a pitched roof, yet the council is allowing five, six and seven story dwellings. I also have to leave fifty percent of my frontage to garden and this application looks like a concrete jungle with hardly any garden. It is totally out of keeping and should be opposed.
