I do however want to support the comments from Environmental Health regarding noise related issues on the site and these issues need to be addressed fully so that the issues in place in other parts of the town do not impact future residents . In addition it is important to note that at the February DMC there the Chair made comments regarding parking shortfall which was 15% or 1 space below the Councils standards /guidance . The specific comment in the summing up was that this application should " was="" would=""/>
