**A note about colour**

Where doors are exposed to direct sunlight, dark colours should be avoided.  
RAL references for colours are provided as a guide only to the nearest similar RAL colour. Colours will not match to other RAL finishes due to different coating processes, gloss levels, substrates and textures. Similarly, special RALs, BS, wood effects or other colours will not be a precise match.  
Colours shown are limited in accuracy by the printing process - samples should always be requested.  
Golden Oak & Winchester are laminate finishes. Night Oak & Rosewood have a painted finish.  
The mitred door leaf frame and door frame are finished in a matching smooth finish for white. Trend (including anthracite Textured) and RAL coloured doors. For these Trend colours, a complimentary flat colour is used: Ice Crystal Grey Aluminium (RAL 9007), TT916 Bling White (RAL 9016), Golden Oak (RAL 8003), Rosewood (RAL 8016) and Night Oak (RAL 8014), Winchester (RAL 8001) wood design finishes.  
If you are matching to other finishes, particularly wood effects such as Rosewood, Golden Oak, Night Oak or Winchester, always request a sample.
