For attention of the Planning Department,

Please see below comments on behalf of UK Power Networks regarding 6/2023/1352/VAR.

Please note there are LV underground cables and HV Overhead Cables on the site running within close proximity to the proposed development. Prior to commencement of work accurate records should be obtained from our Plan Provision Department at UK Power Networks, Fore Hamlet, Ipswich, IP3 8AA.

In the instance of overhead cables within the vicinity, GS6 (Advice on working near overhead powerlines) and a safety visit is required by UK Power Networks. Information and applications regarding GS6 can be found on our website <https://www.ukpowernetworks.co.uk/safety-equipment/power-lines/working-near-power-lines/advice-on-working-near-overhead-power-lines-gs6#Apply>

All works should be undertaken with due regard to Health & Safety Guidance notes HS(G)47 (Avoiding Danger from Underground services). This document is available from local HSE office. Should any diversion works be necessary as a result of the development then enquiries should be made to our Customer Connections department. The address is UK Power Networks, Metropolitan house, Darkes Lane, Potters Bar, Herts, EN6 1AG.

You can also find support and application forms on our website [Moving electricity supplies or equipment | UK Power Networks](#)

Regards

**Daisy Baker**
