## HISTORIC BUILDINGS AND CONSERVATION ADVICE

### RE: Welwyn Garden City TE Wigmores North Welwyn Garden City AL8 6PH

Built heritage advice pertaining to the installation of 6 no. antenna, 1 no. GPS Module and ancillary radio equipment onto new and existing steelwork along with ancillary development thereto following the removal of 3 no. antenna.

The property is located in the Welwyn Garden City Conservation Area.

The proposal would introduce additional radio equipment to the roof of the Telephone Exchange. Taking in consideration the existing appearance of the radio equipment on the roof, the proposal would have no greater impact on the character and appearance of the Conservation Area.

Yours sincerely
