

Cond No	SC No.	
		<u>b. n. 90.</u>
		<u>Flow Space</u>
		Ground flow <u>1720m<sup>2</sup></u>
		Foot flow <u>1720m<sup>2</sup></u>
		<u>3440</u> ✓
		Car parking at 1 space / 12 m <sup>2</sup> = <u>287</u>
		245 spaces provided to ensure retention of landscaping around perimeter.
		<u>22.11.90</u> Phone call from Mr. G. Knott (JL Architect) aiming to make sure there were no outstanding problems. Confirmed that application being considered by Committee at this evening meeting. Mentioned to Knott the letter from Hochman (Drainage) regarding the sewer adjoining the S.E. corner. Although Knott had not received this latest letter he did state that the sewer line had been checked and did <u>not</u> come under the new entrance path. <i>J.</i>
