Subject: Welwyn Hatfield Council Online Planning - Comment

Application Number: S6/2015/1342/PP

Name: Jennifer Reid and Hugh Reid

Address: 48 Vineyards Road

Northaw

Comment Type: Object

Comment: The number of dwellings is too great for a village of this size and the area is green belt. The road cannot accommodate an increased use at peak times nor can the trains which are full. The bus service is now rather sparse.
