Dear Mrs Treacher

TOWN and COUNTRY PLANNING ACT 1990,s.198
TOWN and COUNTRY PLANNING (TREE PRESERVATION ORDER) REGULATIONS 1999
(as amended)

Description Removal of Robinia pseudoacacia
Location Firbank House, Barn Close, Welwyn, Herts, AL8 6SU

Thank you for your application dated the 15th September 2010 asking for permission to remove a dangerous tree within the grounds at Firbank House.

I have confirmed that the tree identified on your plan as 1 is in decline with lots of deadwood and could be considered dying. Therefore there is no objection to the removal of the tree.

The works to the ornamental cherry as requested in your application form will need to be registered as a regular application as the work does not fall into the 'Dead, dying or dangerous' category. You will receive details regarding the registration and time scales of this application shortly.

If you have any further queries please do not hesitate to ring 01707 357 329 during office hours.

Yours sincerely,

Oliver Waring
Tree Officer
